

The Housing Authority of the County of Butte opened the Waiting List for the Housing Choice Voucher (Section 8) Program for the Limited Homeless and Limited Moving Up Preferences only on June 1, 2020

Limited Homeless Preference

If you are experiencing homelessness as defined by HUD (click the following link for HUD homeless definition), call 211 and ask to be entered in the Coordinated Entry System. Homeless Preference applicants will be received by referral only from the Butte County DESS Housing Navigator using the Coordinated Entry System.

If you are not experiencing homelessness as defined by HUD, check back on this website or contact the office periodically to see when the Housing Choice Voucher Waiting List is open to the general public.

Limited Moving Up Preference

Moving Up preference applicants will be received by referral only from a Butte Countywide Continuum of Care organization. To qualify for the Limited Moving Up Preference, families must be transitioning from a Permanent Supportive Housing (PSH) unit and are under case management of a Butte Countywide Continuum of Care organization. These are persons that were previously homeless prior to entry into the PSH program and who no longer need that level of supportive services.

If you do not qualify for the Moving Up preference as defined above, check back on this website or contact the office periodically to see when the Housing Choice Voucher Waiting List is open to the general public.
