#### 5. REPORTS FROM PRESIDENT

5.1 <u>Memorandum of Agreement (MOA)</u> - In efforts to increase the availability of affordable housing in our local jurisdiction, Pacific West Communities (PWC) has approached the HACB (and by association, the Butte County Affordable Development Corporation (BCAHDC)) for participation in the development of an affordable low-income senior housing property in the City of Gridley. The development provides for construction of thirty-seven (37) units, and is called the Sunrise Village Apartments. A MOA outlining development roles for PWC, *Butte County Affordable Housing Development Corporation* 

HACB, and BCAHDC has been drafted for HACB and BCAHDC consideration. PWC seeks a loan of \$350,000 from HACB. Executive Director Mayer recommended adoption of the resolution authorizing the MOA, with no more than a \$200,000 loan, considering the HACB's prioritization of Unfunded Pension Liability concerns. Commissioner Pittman added that the project is in an excellent location; it has great accessibility and he feels comfortable supporting the project. Director Anderson asked if this is typical of development project to ask for loans from HACB. President Mayer replied that Harvest Park and 1200 Park Avenue Apartments each received \$600,000 loan contributions, and Gridley Springs II was loaned \$250,000. Director Hamman said it was a good project to support and he was comfortable with a loan commitment amount of \$100,000 from HACB and \$250,000 loan commitment from BCAHDC.

#### \*RESOLUTION NO. 18-3C\*

Director Hamman moved that Resolution No. 18-3C be adopted by reading of title only: "MEMORANDUM OF UNDERSTANDING WITH PACIFIC WEST COMMUNITIES AND HOUSING AUTHORITY OF THE COUNTY OF BUTTE FOR DEVELOPMENT AND OPERATION OF SUNRISE VILLAGE SENIOR APARTMENTS, GRIDLEY", such Memorandum of Understanding changed to reflect the HACB's prior commitment to loan the project \$100,000. Director Anderson seconded. The vote in favor was unanimous.

#### Walker Commons July 2018

Variance report sent explaining budget differences and expenditures.

#### Updates:

Walker Commons is 100% occupied; however will soon be very busy with four upcoming vacancies all headed our way at once. The Property Manager is busy meeting with applicants to ensure timely turn around.

The maintenance tech Miguel is busy installing the next round of screen doors. Once the 20 doors we currently have on hand are installed, 16 units will remain for completion.

Maintenance is installing a small air conditioner in the laundry room. With summer in full swing, temperatures inside the laundry room have been stifling. The ac was purchased for around \$150 and will go a long way in increasing the comfort of residents while using the facilities.

Upcoming projects that staff is currently obtaining estimates for are: replacement of wooden awnings at front and rear of community room, repainting the sided areas of the community room and coming up with a plan for more user friendly and professional looking computer stations.

July's resident event was a strawberry social. Many residents showed up with their bowl and spoon! The bowls were filled with fresh strawberries, ice cream, cake, whipped cream, nuts, and friendliness! Those who couldn't come because of the heat, were treated to a "one time only strawberry delivery service".

## 1200 Park Avenue July 2018

Variance report sent explaining budget differences and expenses.

#### Updates:

1200 Park Avenue currently has three vacancies, with applications in process. Staff is working through the two large binders of interested applicants to fill the units. Two move-ins and two move-outs during the month of July.

Staff is continuing to work on obtaining estimates for necessary gutter cleaning and a roof assessment before the rain arrives.

We are planning to move forward with implementing the no smoking policies at 1200 Park Avenue January 1, 2019. Residents will receive advance notification of the upcoming change in September. We will work with Butte County health department to provide residents with available resources, as needed.

Residents enjoyed the July birthday party. The turnout was fair for the reinstatement of this activity. We are hoping to see even more smiling faces for the August birthday party taking place on Friday the 17<sup>th</sup>.

#### **RE: CORDILLERA APARTMENTS**

Dear Ed:

Please find enclosed for your review the following financial information for the month that ended July 31, 2018. This statement is accompanied by the following financial statements for the Cordillera Apartments.

- 1. Project Cash Flow and Bank Account Summary, Budget Comparison, General Ledger, Trial Balance and Tenant Rent Roll.
- 2. 12 Month Income Statement.
- 3. 2017/2018 Performance Review.
- 4. 2017/2018 Turnover Analysis.
- 5. Capital Improvement Summary.

Cordillera Apartments ended the month of July with no vacant units as there were no new moveouts or move-ins.

The total rental income for the month of July came to \$11,876.80 which was lower than budget by \$1,268,20. This variance was mainly due to higher unpaid rents and the use of prepaid rent. Total service income for the month came in higher than budget at a total \$349.12. This brought the total July income to \$12,225.92 and \$1,070.08 lower than budget for the reasons stated above.

Moving on to the monthly expenses, you will see that the renting expenses came to \$47.53 and less than budget by \$29.47. Total administrative expenses for the month were lower than budgeted at \$1,756.22. Total utility expenses came to \$2,067.02 which was lower than budget by \$483.98. The apartment turnover expenses for the month came in lower than anticipated at a total

of \$2,111.30. The maintenance expenses totaled \$747.33 which was lower than budget by \$1,872.67. This brought the net operating income to \$5,496.52, higher than budget by \$1,892.52.

The capital improvements for the month of July consisted of the down payment for the work on the porches in the amount of \$3,100.00. The budgeted financial expense of the capital replacement reserve reimbursement of \$12,000.00 was not received. So, this brought the net project cash flow to \$2,396.52 which was below budget by \$8,307.48.

As you review the Cash Balance Summary on the Cash Flow Statement for July, you will see that the property ended the month with total cash on hand of \$24,523.48. Of that amount, \$3,000.00 is in the general checking account, \$21,513.17 in the general savings account and \$10.31 in the replacement reserve account.

Please give me a call if you have any questions regarding the Cordillera Apartments.

Sincerely yours,

# RE: HOME Monitoring for 1200 Park Avenue Apartments 2018 Monitoring Clearance Letter

Dear Ms. McDonell,

Thank you for your response to the Long-Term Monitoring conducted on April 18,2018. Based upon your comments, submittals, and follow up inspection, we are clearing the findings noted in the Summary Report Letter sent on May 10, 2018.

As of the date of this letter, the City of Chico is satisfied that appropriate corrective actions were taken to comply with federal HOME requirements.

Your responses to the findings are addressed as follows:

**Findings** 

#### Finding #1:

**Finding:** An Insurance Certificate needs to name the City of Chico as Additionally Insured. **Clearance:** The property management company, AWI Management Company, provided a copy of the Insurance Certificate naming the City of Chico as additionally insured.

#### Finding #2

**Finding:** HOME regulations require that the Tenant Lease Agreement is for a term of 12 months, with subsequent renewals of at least 30 days (month-to-month). If the Tenant Lease Agreement term is not 12 months, it must be agreed to by the owner and tenant at the tenant's election.

**Clearance:** The tenant lease agreement was updated with an Addendum with an option of 6 months, if signed by all tenants 18+ years of age. The Lease Agreement, by default, is for 12 months. AWI submitted a copy of the new Addendum, titled "HOME/Other State or Federal Program Leases Addendum less than 12 months lease election".

#### Finding #3:

**Finding:** The Annual 90-120 Day Notice of Income Recertification and Annual Unit Inspection Letter were missing from tenant files for Units #135 and #234.

**Clearance:** AWI submitted a copy of Notice of Income Certification for Unit #234. Upon AWI's start of management at 1200 Park Avenue, AWI Staff began to work on re-certifications; prioritizing based on upon expiration dates. The notice was served late on 2/14/18 for the 4/1/18 recertification date. All certifications are now caught up, with notices served in a timely manner.

# Housing Tools

Unit #135 is a new move-in unit, with the initial occupancy date of 3/27/18. It is scheduled to have a Recertification Notice in October 2018 for a March 1, 2019 recertification effective date. Annual Inspection is scheduled to coincide with anniversary of move-in.

#### Finding #4:

**Finding:** The Annual 90-120 Day Notice of Income Recertification for Unit #249 was dated 7/17/17 for an 8/1/17 income certification. The notice was not 90 days before recertification. Only one Annual Unit Inspection Notice was found, but it was dated 2010.

**Clearance:** 1200 Park Avenue Apartments is under new management effective early January 2018. AWI could not find some of the Annual Inspection Reports, Notice of Income Certifications, and Notice of Annual Inspections. In addition, some of the past notices of re-certifications were less than 90 days before re-certifications. AWI will rectify this for 2018/19 Year re-certification notices.

#### Finding #5:

**Finding:** On the Tenant Income Certification Forms, please make sure that HOME is checked as a funding source in the tenant files for Units #135, #234, #249.

**Clearance:** AWI checked HOME in Tenant Income Certification (TIC) Forms for Units #135, #234, #249 and copies of the TIC were submitted.

#### Finding #6:

**Finding:** Please use the correct Utility Allowance (UA) Schedule. On Tenant Income Certification for Unit #249, \$51 was used. The Project Compliance Report and UA Schedule shows \$56. **Clearance:** \$51 was the UA amount in place at the time the 8/1/17 recertification for unit 249 was completed. AWI submitted an updated UA reflecting the \$56 shown in the Project Compliance Report.

#### Finding #7:

Finding: We were not able to review a Monthly Property Report to Owner.

**Clearance:** Current financial reports, for the month ending April 2018, were sent to the owner to fulfill the requirement of a Monthly Property Report to Owner. Copies of the current financial reports submitted by AWI include a Balance Sheet, Statement of Income & Cash Flow, and Comparative Income Statement.

#### Finding #8:

**Finding:** In reviewing the Affirmative Marketing Analysis Plan, we have found that the percentage of Hispanic/Latino tenants is considerably below area census numbers.

**Clearance:** AWI submitted a copy of an outreach letter dated 4/4/18 to the Hispanic Resource Council of Northern California. AWI also provided a copy of their Spanish marketing flyer that will be sent to local Spanish advertising sources and various agencies affiliated with the Spanish population, on at least an annual basis.

#### <u>Concerns</u>

#### Concern #1:

**Concern:** The patios on the east side, Park Avenue frontage, of the building are showing staining from water runoff where there is a weep hole at the edge of the patio floor. The patio just south of the main entrance shows signs of water intrusion below the patio around the community room window. **Clearance:** Per AWI, the water intrusion noted to the south of the main entrance (above community room window) was found to be caused by a leaking water heater valve. The valve has been replaced. The weep hole has been inspected, cleaned and repaired as needed with new flashing and a stucco patch. AWI submitted a copy of the completed work order. In addition, AWI will be contacting local stucco contractors to inspect all weep holes for water staining and provide recommendations/ costs for required upkeep and preventative maintenance.

#### Concern #2:

**Concern:** A portion of the carpet near Unit #225 is folding up and is a tripping hazard. **Clearance:** Per AWI, the carpet repair in the second floor hallway is pending. The first flooring contractor that inspected the area was unable to perform the repair because of the glue down style of carpeting. AWI has been advised it is not a simple process to separate the carpet from the glue and concrete without tearing the material. In addition, the carpet may not re attach securely. AWI has contacted two other vendors that are scheduled to inspect for recommendations of repair. Once the carpet repair is complete, AWI will send proof of completion.

Attached is the updated HOME Annual Monitoring Report Questionnaire. If you should need further information or technical assistance, please contact me at 513-3116 or jcoles@housing-tools.com.

har

Subject:	Sunrise Village Senior Apartments, Gridley Status

An application for Low-Income Housing Tax Credits was submitted to CTCAC in the July funding round, such funding pre-requisite to advancing this development. The State has not made formal awards, but it is anticipated that the project will not score sufficiently in this round to secure the credits. This is more typical than atypical, in that it often takes two or three application rounds before a project has been perfected enough to score sufficiently for credit award.

Project developer, Pacific West Communities (PWC), is comfortable with the project's current status, and looks forward to tax-credit application re-submittal in CTCAC's first funding round in 2019. If awarded credits at that time, it would be anticipated that the project would be placed in service sometime in 2020.

The project site has been purchased, and PWC is a strong partner, one of the largest tax-credit developers in the state.

The project received an allocation of Section 8 Vouchers from the Housing Authority, such that all units at the property can be occupied by seniors without regard to income.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### <u>Auditors' Responsibility</u>

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Memo

То:	BCAHDC Board of Directors
From:	Ed Mayer, President
Subject:	Walker Commons Apts, Chico No-smoking policy implementation

The Walker Commons Apartments, a 56-unit multi-family apartment property serving seniors and disabled, has been managed by third-party property manager AWI since the first of the year. AWI has proposed moving to a no-smoking policy at the property, having successfully implemented no-smoking policies at many of the residential properties for which it is responsible.

This policy has been discussed twice previously with the Board. To date, the Board has expressed caution in adopting such policy. However, staff now recommends moving forward with adoption of a no-smoking policy for the property. AWI has demonstrated its no-smoking policy implementation practices in management of the 1200 Park Avenue property, which serves a low-income senior population. Their approach has been incremental and sensitive.

The Housing Authority has itself committed to a no-smoking policy for its HUD Public Housing properties. The Butte County Department of Public Health stands by in support, with informational materials for residents, smoking cessation classes, and applicable site and building signage.

Housing Authority management recommends such policy implementation for the Walker Commons Apartments, based on health-related reasons for property residents and their guests, whether smokers or subject to second-hand smoke, and based on projected savings associated with maintenance and turnover of dwelling units in which smokers have been present. Given the high concentrations of special needs tenants at the property, the no-smoking policy will be implemented with extra care and sensitivity.

Recommended: motion to direct AWI, property manager, to implement a no-smoking policy at the Walker Commons Apartments, Chico.
