PROTECTIONS FOR VICTIMS OF ABUSE [VAWA]

An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of such a victim.

Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of domestic violence, dating violence, or stalking.

Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may “bifurcate” a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the public housing program.

Nothing in this section may be construed to limit the authority of a public housing agency, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.

Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.

Nothing in this section may be construed to limit the authority or manager to evict, or the public housing agency to terminate assistance, to any tenant if the manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.

Certification of Domestic Violence, Dating Violence and Stalking

When an individual seeks to assert VAWA's protections, the PHA may request that the individual provide one of any of the following three types of documentation:

1. A HUD-approved certification form verifying that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse. Such certification shall include the name of the perpetrator; or
2. Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury (28 USC 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation; or
3. A Federal, State, tribal, territorial, or local police or court record.

The individual shall provide certification within 14 business days after the individual receives a written request for such certification from the PHA. If the individual does not provide the certification within 14 business days after the individual has received a request in writing for such certification, the PHA may evict any tenant who commits violations of a lease. The PHA may extend the 14-day deadline at its discretion if good cause is demonstrated.

The PHA is not required to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence or stalking in order to receive any of VAWA's protections. At its discretion, the PHA may provide benefits to the individual based solely on the individual's statement or other corroborating evidence.

The PHA shall keep confidential any information an individual provides regarding his or her status as a victim of domestic violence, dating violence, or stalking, except if the disclosure is: (1) requested in writing by the individual; (2) required for use in an eviction proceeding; or (3) otherwise required by law. See 42 USC 1437(d)(u)(2)(A); 42 USC 1437 f(ee)(2)(A).

Definitions of Domestic Violence, Dating Violence, and Stalking

[VAWA; 42 USC 13925(a)(6), (8); 42 USC 1437f(f)(10); Cal Family Code 6211]

VAWA defines “domestic violence” as felony or misdemeanor crimes of violence committed by:

- (1) a current or former spouse of the victim;
- (2) a person with whom the victim shares a child in common;
- (3) a person who is cohabiting with or has cohabited with the victim as a spouse;
- (4) a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies;
- (5) any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction (i.e., California).

California law defines “domestic violence” as abuse perpetrated against the victim by:

- (1) The victim’s spouse or former spouse.
- (2) Someone the victim lives with or lived with in the past.
- (3) Someone the victim is dating or has dated.
- (4) Someone the victim has a child with.
- (5) Someone to whom the victim is related by blood, marriage, or adoption (including the victim’s parent, grandparent, child, grandchild, brother, or sister).

VAWA defines “dating violence” as violence committed by a person:

- (1) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - a. The length of the relationship.
 - b. The type of relationship.
 - c. The frequency of interaction between the persons involved in the relationship.

VAWA defines “stalking” as:

- (1) To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass or intimidate another person; or
- (2) To place under surveillance with the intent to kill, injure, harass, or intimidate another person,

AND

- (3) In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to:
 - a. That person;
 - b. A member of the immediate family of that person; or
 - c. The spouse or intimate partner of that person.

The HACB’s VAWA policies are also included in the Public Housing Admissions and Continued Occupancy Policy, Chapter 12 and the Section 8 Administrative Plan, Chapter 14.

7.0 Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. *Include statements related to these programs as applicable.*

HOPE VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, and Homeownership Programs – N/A

PROJECT BASED VOUCHERS

PHA seeks to establish Project Based Voucher (PBV) program as sub-component of its Section 8 Tenant-based Voucher program. Work with county-wide community-based service providers has revealed a need for community transitional housing capacity, in order that homeless, formerly homeless, and other households be stabilized prior to admission to permanent assisted housing programs. Current voucher admissions policy interrupts households in process of stabilization in community transitional housing programs, admitting families prior to readiness to assume the responsibilities of independent, or supported living. Additionally, specialty service providers seek housing subsidy to support targeted programs for their clients in specific locations where supportive services are available. The PHA seeks to expand supported affordable housing opportunity to some of the county's most vulnerable populations through implementation of its PBV program in partnership with service agencies and property owners.

8.0 Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.

8.1 Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the *Capital Fund Program Annual Statement/Performance and Evaluation Report*, form HUD-50075.1, for each current and open CFP grant and CFFP financing.

See attached Exhibit H for HUD 50075.1 Capital Fund Program Annual Statement/Performance and Evaluation Report for: 501-09 ARRA, 501-09 and 501-10.

8.2 Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the *Capital Fund Program Five-Year Action Plan*, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.

See attached Exhibit I for HUD-50075.2 Capital Fund Program Five-Year Action Plan.

8.3 Capital Fund Financing Program (CFFP).

☐ Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.

9.0 Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

Strategy for Addressing Needs

➤ Need: Shortage of affordable housing for all eligible populations

Strategy 1: Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

Strategy 2: Increase the number of affordable housing units by:

- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- Adopt rent policies to support and encourage work
- Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

- Adopt rent policies to support and encourage work
- Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Participate on Hmong Task Force

Strategy 2: Conduct activities to affirmatively further fair housing

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

Reasons for Selecting Strategies

The factors that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints

- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

The annual plan was briefly described and the process of approval reviewed. A RAB interest sign-up sheet was initiated for the two RAB meetings scheduled.

RESIDENT ADVISORY BOARD (RAB) MEETING COMMENTS

During the RAB meetings, the following comments were received from Residents:

- Was it possible to open the Section 8 waiting list once per year? HACB response: Dependent upon funding, the HACB would like to open the Section 8 waiting list every other year.
- Are applicants informed in writing of which waiting list their name is on (i.e., Public Housing vs. Section 8)? HACB response: Yes.
- Which Public Housing deposits are increasing? HACB response: Proposed Security Deposit increase; Pet Deposit to remain the same.
- Residents from Winston Gardens requested unit storage, water heater replacements and computers for the Clubhouse to be added to the Capital Fund project list. They also suggested decreased washing machine cost to offset the lower amount of clothes able to be washed per load in the high efficiency washers.
- Recommended change to Agency Plan - Correct statement "evicted for criminal activity" to "evicted for drug-related and/or violent criminal activity". Revision has been implemented.
- Recommended change to Section 8 Admin Plan - Medical Exemptions section revised to match ACOP. Revision has been implemented.
- Ms. Laurel Blankinship Yorks, LSNC, recommended HACB staff emphasize the importance of reporting income changes (report everything all the time). Ms. Yorks also suggested annual face-to-face recertification interviews. HACB staff will continue to find new ways to emphasize the importance of reporting income and family composition changes.

45-DAY REVIEW PERIOD COMMENTS

Ms. Laurel Blankinship Yorks, Legal Services of Northern California – Butte Regional Office (LSNC), together with representatives from National Housing Law Project (NHLP) provided recommendations for changes to the Admin Plan and ACOP in her letter of May 14, 2010. Tamra Young, Executive Assistant, HACB, outlined which recommendations were implemented by the HACB and why in her response dated July 6, 2010.

The US Department of Housing and Urban Development, Department of Fair Housing and Equal Opportunity (HUD-FHEO) conducted a compliance review on March 1, 2010. Recommendations from the FHEO review letter dated May 24, 2010 were also incorporated into the Admin Plan, ACOP and Agency Plan.

A complete summary of the Policy changes made during the 45-day review period is attached (Memo to the HACB Board of Commissioners dated July 8, 2010).
